

Interchangeable Pressure Sensitive Taping Heads

STA-TAPING HEADS

- Large roll capacity
- Easy threading of tape
- External tension adjustment
- Quick-cut auxiliary cutter
- Exclusive: Four wipe down points
- Tape-end protection for next carton
- Unique head applies consistent pressure
- High speed heads
- Stainless steel heads
- 1", 2", and 3" tape tabs

EXCLUSIVE STA TAPING HEAD

The patented STA-Taping Heads design is uniquely engineered to maintain consistent pressure to the tape to ensure the most secure, reliable seal. Our line of interchangeable pressure sensitive taping heads is offered in a variety of tab lengths and tape widths to fit your application.

Due to our unique pop-out design, changing tape rolls is fast and easy. The auxiliary cutter makes loading new rolls safer and easier.

STA Taping Heads are interchangeable with most of our automatic and semi-automatic case sealing machines. They cut your labor costs and maximize your throughput.

For the best results, rely on STA Proven Performance acrylic tapes, for use with your high-throughput case sealing machines. Together, you have the most reliable single source tape sealing system.

High performance automatic case sealing machines need STA's Proven Performance acrylic carton sealing tapes, which are engineered especially for these systems.

Our Proven Performance tapes offer benefits such as proven reliability, consistent quality, clarity, UV stability and ease of use. STA Proven Performance tapes stay clear over time and exposure to UV light. Due to the aggressive hold of our tape, your cases remain sealed in the widest range of temperatures.
